Dear Mr. Oswald:

Your letter of August 26th to Elizabeth G. Flynn was turned over to me for reply. Since I received your letter of September 1st indicating that you are moving to Baltimore, I suggest that when you do move that you get in touch with us here and we will find some way of getting in touch with you in that city.

While the point you make about your residence in the Soviet Union may be utilized by some people, I think you have to recognize that as an American citizen who is now in this country, you have a right to participate in such organizations as you want, but at the same time there are a number of organizations, including possibly the Play, which are of a very broad character, and often it is advisable for some people to remain in the background, not underground. I assume this is pretty much of an academic question now, and we can discuss it later.

Sincerely yours,

Dear Mr. Oswald:

Your letter to the WORKER has been referred to me for reply.

It is good to know that movements in support of fair play for Cuba has developed in New Orleans as well as in other cities. We do not have any organizational ties with the Committee, and yet there is much material that we issue from time to time that is important for anybody who is concerned about developments in Cuba.

Under separate cover we are sending you some literature.

Sincerely yours,

Dear Friend:

Thank you for your recent reply. Enclosed are your card and receipt, along with our stamps and returner.

Your interest in joining to form an FPCC Chapter in New Orleans is gratefully received. I shall try to give you some basic information now so that you may have a better picture of what this entails.

For now thing, I am enclosing a copy of our Constitution and By-Laws for all Chapters and Student Councils. You will note that there is considerable autonomy for an organization our size. We try and let all Chapters operate according to the local requirements. Naturally, there are minimal regulations which must be met.

All Chapters can receive literature in bulk at a discounted rate and resell at the retail value and use the proceeds for further Chapter activities. Credit is extended and payment is not required with the order. No cash payment within a reasonable period as that we may postpone our end of the operation.

It would be hard to envision of a Chapter with no few members as soon to exist in the New Orleans area. I have just now through my files and find that Louisiana seems somewhat restricted for fair play activities. However, with most it there barriers you could build a larger group if a few people could undertake the disciplined responsibility of concrete action and not mere.

No certainly are not at all adverse to a new small Chapter and certainly would expect that there would be almost instant the instant action to erect a legal executive board for the Chapter. Without such action the Chapter could easily issue a charter for
